

## INTRODUCING MYDEALER

### What Is MyDealer?

MyDealer is your online access to your RMS and affiliated accounts (RMS Rentals, Polar Parts, RMS Hydraulics, US Shoring & Equipment Co., and Atlanta Equipment). You can access MyDealer from any device.

### What Information Can I See?

RMS news, offers, and notifications

### My Account

**Invoices:** You will be able to view your current account balance and all open and closed invoices. You can print or email invoices from MyDealer.

**Statements:** All current and historical statements on your account are accessible through MyDealer.

### Equipment

**My Equipment:** You can track the equipment you own. All units that you have purchased or have had serviced at an RMS company are listed under the section *My Equipment*. Here, if you hover on the equipment description, you have the option to schedule service, update machine hours, email RMS that you no longer own it, or request an appraisal if you are interested in selling it.

**Service:** You can view work orders and their current status

**Quotes:** If you have received a quote from our service, sales, or parts department, you will be able to access that quote from your quotes menu and accept or ask for a requote.

**My Rentals:** You can view equipment out on rent, date out, and job site.

**Parts:** You can register to order parts directly from MyDealer. Contact your local parts department to register.

**Questions:** Contact Liz Kragthorpe [ekragthorpe@rmseq.com](mailto:ekragthorpe@rmseq.com) 952-895-7029
